consideration of the payment of an additional premium as specified and shown in the Schedule, the Company shall arrange to provide the following services through third party service provider(s) within India, except the Island areas, during the policy period :

GOLD COVER

1. Mechanical & Electrical Breakdown:

In the event, that the insured vehicle is immobilized on a public road due to any mechanical & electrical breakdown, the Service Provider shall;

- Arrange assistance over phone and try to resolve the problem then and there.
- Arrange for an automobile technician to attend to the insured vehicle on the spot of such breakdown to help mobilize the vehicle on its own power.
- Arrange for the towing of the insured vehicle to the nearest Repair shop / Garage, if mobilization of the insured vehicle is not possible by carrying out such repairs on spot.
- Provide for custody and storage of the insured vehicle until the Repair shop / Garage re-open, if the Repair shop / Garage are closed due to holidays or night hours.

Exclusions:

- Cost of parts or replacement elements or consumables and their transportation cost to the site of breakdown in case of repairs which would not be possible without replacement of parts/elements on the spot of breakdown.
- Cost of repair at Garage/Workshop after vehicle is towed to Garage/Workshop.
- Cost of towing beyond 25 kilometers from the spot of breakdown of the insured vehicle.
- Any entry fee, toll, parking charges etc. and additional waiting charges caused due to delay in accepting the vehicle by the garage/workshop.
- Charges of the automobile technician, if the vehicle could be transferred on its own power on self-propelled basis to the nearest repair shop/garage without his intervention.
- Charges of the automobile technician, if the vehicle could be transferred on its own power on self-propelled basis to the nearest repair shop/garage without his intervention.

2. Towing due to Accident:

In the event, that the insured vehicle is immobilized on a public road due to any accident covered by the policy, the Service Provider shall;

- Arrange for towing of the insured vehicle to the nearest Company's Authorized Repair shop/Garage.
- Provide for custody and storage of the insured vehicle until the Repair shop/Garage re-open, in case of such Repair shop/Garage being closed due to holidays or night hours.

Exclusions:

- b. Any entry fee, toll, parking charges etc. and additional waiting charges caused due to delay in accepting the vehicle by the garage/workshop.
- c. Cost of repair at Garage/Workshop after vehicle is towed to Garage/Workshop.
- d. Any payment to a third party for towing/storage/recovery by the Insured or on his behalf, unless specifically agreed by the Company.

3.Keys Locked-In:

In the event, that the insured vehicle is immobilized on a public road, due to loss of its keys, or its keys being either locked inside the vehicle or broken, resulting in a situation where the Insured is unable to gain entry into the insured vehicle, the Service Provider shall:

- a. Locate and retrieve duplicate set of keys under due authorization of the Insured to do so, and deliver such keys to the Insured or his authorized representative upon production of personal identification and authorization. The Technician or Service Provider will recuperate the spare key at a place designated by the customer and deliver it to the place where the covered vehicle is immobilized. This service is limited to delivery within the same city and the distance between the place that the spare keys stored and the delivery location specified by the customer or parking location of the covered vehicle is less than 50 kms.
- b. Arrange for an automobile technician to attend to the insured vehicle on the spot of such event in order to attempt the opening of the vehicle door with normally available tools, if the Insured desires to attempt opening the vehicle, since retrieval of a duplicate set of keys would be time consuming.

Conditions:

Personal Identification details of the Insured matching with the Policy and vehicle records shall be produced for verification by the automobile technician, before any such attempt to reopen the vehicle is undertaken.

Exclusions:

Cost of key in case Insured needs assistance in making a new key.

4.Flat Tyre Support:

In the event, that the insured vehicle is immobilized on a public road, due to a flat tyre caused by puncture of or damage to the tyre/tube/valve or bolts of the tyre, the Service Provider shall; Arrange for an automobile technician to attend to the insured vehicle on the spot of such event to replace the flat tyre with the spare tyre carried in the insured vehicle. In case the tyre needs to be repaired or a puncture needs to be fixed, the flat tyre will be taken to the nearest flat tyre repair shop for repairs and re-attached to the insured vehicle.

Exclusions:

- a. Cost of parts or replacement elements or consumables and their transportation cost to the site of immobilization due to flat tyre in case repairs are not carried out on spot of immobilization.
- b. Charges of Garage/Workshop, transportation cost to and from the site of immobilization if the flat tyre has to be taken to any Garage/Workshop for repair.

5.Battery Jump Start:

In the event, that the engine of the insured vehicle fails to start due to a dead battery, the Service Provider shall; Arrange for an automobile technician to attend to the insured vehicle on the spot of such event, to help jump start the vehicle so that it can be driven on its own power on self propelled basis to the nearest Repair Shop/Garage.

Exclusions:

- a. Cost of parts or replacement elements, consumables and recharging of battery and its / their transportation cost to and from the site of immobilization due to dead battery in case battery jump start could not be carried out on spot of immobilization.
- b. Entire cost of replacement battery and its transportation cost to the site of immobilization if the dead battery had to be replaced by another.

6.Fuel Delivery:

In the event that the insured vehicle is immobilized, due to the insured vehicle running out of fuel, the Service Provider shall arrange for an automobile technician with an emergency tank of fuel up to 5 litres on the spot where the insured vehicle stands immobilized.

Exclusions:

- a. Delivery charges of fuel beyond 50 kilometers between the spot of breakdown of the insured vehicle and petrol pump.
- b. This service is not available if the fuel type of insured vehicle is other than Petrol or Diesel.
- c. Actual cost of the Fuel shall be charged to the insured as per prevailing market prices of that day.

7. Wrong Fuelling:

In the event that the insured vehicle is immobilized due to wrong fuelling (i.e. petrol for diesel or diesel for petrol), the Service Provider shall arrange for an automobile technician to assist the insured for draining, flushing and replenishing of the fuel system. The emptying of the fuel tank in case of fuel contamination shall always be under consultation and approval from the insured for repair on site or the vehicle shall be towed to the nearest workshop of whichever is suitable.

Exclusions:

- a. Delivery charges of fuel beyond 25 kilometers between the spot of breakdown of the insured vehicle and petrol pump.
- b. This service is not available if the fuel type of insured vehicle is other than Petrol or Diesel.
- c. Actual cost of the Fuel shall be charged to the insured as per prevailing market prices of that day.

8. Cab Assistance:

In the event that the insured vehicle is immobilized on a public road, and On-the-spot repairs fail to mobilize the vehicle on its own power on self-propulsion basis, and it has to be towed away to a Repair shop/Garage for repairs, the Service Provider shall make arrangement for an alternate hired vehicle with capacity to carry all the occupants of the immobilized vehicle (subject to the maximum of licensed carrying capacity of the insured vehicle), for continuation of their onward journey or return home.

Exclusions:

- a. Cost of taxi fare

9. Medical Assistance:

In the event of the insured vehicle meeting with an accident, and any of the occupants getting injured, the Service Provider may provide for a conference call with nearest Medical Service Provider including Ambulance service providers.

The cost of such service provided has however to be borne by the Insured. The Agency shall however be in no way responsible for the quality of service rendered by such Service Providers.

10. Hotel accommodation and ticketing:

In the event that the insured vehicle is immobilized on a public road and On-the-spot repairs fail to mobilize the vehicle on its own power on self-propulsion basis, and it has to be towed away to a Repair shop/Garage for repairs, the Service Provider shall arrange for hotel accommodation on the best effort basis in the nearest hotel from the incident location under consultation and approval from the Insured and also arrange for ticketing to reach the Insureds destination.

Exclusions:

Cost of hotel accommodation and ticketing.
